

database::Storable

```
classDiagram
    class database__Storable["database::Storable"]
    class food__Food["food::Food"]
    food__Food --|> database__Storable
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text "database::Storable". Below it is a gray rectangular box with a black border containing the text "food::Food". A blue arrow points vertically from the top center of the "food::Food" box to the bottom center of the "database::Storable" box, indicating that "food::Food" inherits from "database::Storable".
